

Antique 15kt Gold Floral Bloodstone Seal Fob with Key and Loop
£2,850.00

Antique 15kt Gold Floral Bloodstone Seal Fob with Key and Loop – 19th Century

This remarkable 19th-century antique seal fob is crafted in 15kt gold, weighing 20.31 grams, and features exquisite floral detailing. The piece is adorned with a bloodstone engraved with an elegant floral motif, reflecting the intricate craftsmanship of the period.

Key Features:

Gold Purity: 15kt

Weight: 20.31 grams

Full Length (stretched out): 8.4 cm

Width: 2.3 cm

Seal Stone: Bloodstone with engraved floral design

Design Details:

The piece includes an ornately designed loop, key, and seal fob, all intricately decorated with a floral motif, showcasing exceptional attention to detail.

The bloodstone seal features a finely carved floral design, symbolizing elegance and refinement.

The fob's structure is bold yet delicately ornate, with each component showcasing intricate scrollwork and rococo-inspired embellishments.

Historical Context:

Seal fobs like this one were popular during the 18th and 19th centuries and served as both practical tools and symbols of status. Used to seal letters and documents, the personalized bloodstone engraving would have marked its owner's correspondence with distinction. The floral motif on the seal reflects the romanticism and attention to nature that characterized the decorative arts of the period.
