**£14,500.00**

A fine 18ct gold 'Snake' necklace designed by Elsa Peretti for Tiffany & Co, signed "Tiffany and Co, Peretti, 750" on the back of the snake's head. This necklace is wonderfully fluid, and it can be worn shorter or longer depending on how you would like to style it. It can even be worn as a belt around the waist. The snake chain graduates to a thinner tail end. This iconic necklace was first designed by Elsa Peretti for Tiffany in 1985 for the Blue Book collection and has been re-crafted for Peretti's 50th anniversary with Tiffany.

Weight: 71.2 grams. Measurements: The length is 50cm
