We are excited to be able to offer this little gem which is presented in good working order as well as exceptional original condition, in fact its a real collectors piece being with both inner and outer box, manuals, calendar, wallet, previous WOS receipt along with the original warranty card dating the watch to first sold in then UK in 1988.

36mm stainless steel case with an engine turned steel bezel, discreet classic Rolex of the 80's. Original grey Rolex dial with silver baton hour markers to match the hands. Some natural discolouration as you would expect of a watch of this age but certainly not to detract away from this beautiful set.

Full length steel jubilee bracelet. Watch is in fine working order having passed through our workshop. Running at + 4 seconds per day.

Operating from a Rolex 3035 Calibre movement giving a power reserve of up to 40 hours.

Our View - An honest, classic Rolex. Comfortable, durable and discreet with the added bonus of being a lovely collectable full set.
