

**Cartier Santos Galbée 1565**  
**£2,650.00**

Watch: Cartier Santos 1565  
Stock Number: CHW6054  
Price: £2650.00

The Cartier Santos 1565 represents Cartier's signature style, both classy and elegant. This Santos is the 24mm model, the smaller size and quartz battery operated. A recent full polish and battery change mean the watch is in excellent all-round condition,

The dial configuration of ivory / off white with black Roman Numerals and metallic blue hands that are classic Cartier. Dial throughout appears in excellent condition, as is the blue stone in the crown.

24mm stainless steel square case fitted to an all-steel bracelet with the hidden double fold clasp making this a slightly later model than those that show the emblem on the clasp. Difficult to date but thought to be late 90's early 2000's.

Condition - As good as you will find for a Cartier Santos of this age

Working Order - Recent battery change leaves this in perfect condition.

Our View - A beautiful everyday watch that looks as good dressed up for an evening out. Maybe the perfect gift!
