Fitted to a generic textile grey strap to fit a wrist to 21cm.

Case Marking as follows:

7T27-7A20 - Model Number
486066 - Seiko Serial Number

6645-99 (Nato codes and country code for UK)
8149181 - MOD Code
1346/94 - Year of Production 1994

Great value British Military watch (RAF) in full working order at a great price in our view.

Condition - Clear marks and scratches that most likely will have come from its use within the military. evident scratch to top left lug and bezel. Fine working order and condition otherwise consistent with age of what would have been a tool watch. Some clear discolouration to the hands again down to the age and the purpose of the watch.
