

## **Zenith P3632 Vintage Automatic Diver Zenith Bracelet**

**£2,450.00**

We are proud to present here an uncommon Zenith P3632 from the late 1960s. An automatic diver with matching gold tone dial. Highly attractive lume on the indices and hands, which glows well under UV light.

Features a bidirectional rotating bezel. Date window between 4 and 5 o'clock which is in a matching gold tone.

39mm Zenith gold plated case in good honest condition. Beautiful Zenith gold plated bracelet manufactured by NSA. Both brands are on stamped on the clasp. It looks like a piece of jewellery.
