A finer example of this classic Cartier model may well be hard to find! Serviced by Cartier in 2024 at a cost of almost £500. The Cartier Must De Cartier 5057001 is a much in demand model right now and with its iconic Cartier Roman Numeral hour markers its a the classic Cartier.

Trying to find these is getting harder and harder. An excellent option at a great price if this is the model you are looking. Why do we say that? For a start it comes with its original box and is fitted to a Cartier Brown Croc leather strap that's in great all round condition. More importantly than all of that, this watch was serviced back at an accredited retailer back in January 2024.

20mm x 28mm gold plated case (Vermeil) that appears in very good condition with hardly any marks or scratching of the plating. The dial, well call it what you will ivory / off white / yellow... to us its a bit of them all. with the classic Cartier blue metallic hands and the black roman numerals. Blue stone intact on crown. Mineral Crystal.

Quartz battery powered movement with recent battery change.

Condition - Excellent all round, will show some minor signs of wear and strap shows wear as you expect on the inside. Some discolouration but perfectly usable. Case 8.5/10 Strap 7/10.

Our View - Fully Serviced, Original and with box just maybe the best version of this model around and it wont be available for long that is for sure.
