£245.00

Clock: Heuer Stopwatch 758.901
Stock Number: CHW6160
Price: £245.00

A really cool desk item, exhibition piece or ornament this Vintage Heuer Stopwatch is fully functioning and presented in its original box.

Measuring 62mm x 62mm we estimate this Heuer Stopwatch to be from the early 1980's. Plastic black case. The dial is white with a black centre, a little more rare than some of the others made due to the striking orange and yellow hands.
