Eterna Matic Centenaire '61' | Swiss Automatic | Vintage 1960s

This Eterna Matic Centenaire '61' is a classic vintage Swiss timepiece, offering exceptional quality for under £300. With its sunburst silver dial and timeless design, it's a fantastic choice for collectors and everyday wearers alike.

Key Features:

35mm stainless steel case – Classic proportions, well-preserved.
Sunburst silver dial – Elegant and understated.
Gold-coloured hands & baton hour markers – Enhancing vintage appeal.
Date window at 3 o'clock – Practical and stylish.
Automatic movement – Reliable self-winding mechanism.
Pull-out crown – Easy time and date adjustment.
Fitted to a black leather strap – Versatile and comfortable.

Condition & Details:

Case left unpolished – Shows natural wear, preserving originality.
Plexiglass appears scratch-free – Crystal-clear visibility.
Smooth operation – Runs beautifully and keeps excellent time.

Why Buy This Eterna Matic?

Swiss-made quality at an unbeatable price – A true bargain.
Timeless, elegant design – Perfect for any occasion.
Great mechanical condition – Reliable and ready to wear.

A well-preserved, affordable vintage Swiss automatic that combines style, history, and everyday practicality. Grab it before it's gone!
