Rare Cartier Desk & Travel Clock | Cathay Pacific Pilot Edition | 1980s

This rare Cartier foldable desk and travel clock has a unique aviation history. Issued by Cathay Pacific Airways to its long-haul pilots, this clock was designed to serve as a bedside or desk companion during overnight stopovers. Stamped with the airline's logo on the back, it not only looks stunning but also holds historical significance.

Key Features:

50mm x 50mm brass case – Classic and compact travel design.

Signed Cartier Paris dial – A hallmark of timeless luxury.

Black Roman numeral hour markers – Elegant and easy to read.

Enamel blue lugs – A signature Cartier touch.

Foldable clasp mechanism – Ideal for travel and display.

Blue cabochon stone on crown – Original and intact.

Quartz battery movement – Recently replaced for reliable performance.

Condition & Details:

Manufactured in the mid-1980s – A vintage collector's piece.

Well-traveled with visible marks & scratches – Authentic patina adds character.

Alarm function no longer operational – Priced accordingly.

Working perfectly as a clock – Keeps time reliably.

Why Buy This Cartier Desk Clock?

Rare aviation-issued Cartier piece – A must-have for collectors.

Stylish and functional – Ideal for desks, offices, or bedside tables.

Own a piece of aviation history – Who knows how far this clock has traveled?

A unique conversation starter with timeless Cartier elegance. Don't miss this rare find!
