

Antique Gold, Diamond And Ruby Ant Pendant £2,950.00

Highly unusual 18 carat yellow gold charm, decorated with six engraved ants, inlaid with tiny rose cut diamonds to form their heads and bodies.

The six ants are all making their way towards a ruby cabochon stone, set at the top of gold disc. The piece was formerly a brooch but I converted it to a pendant and added a diamond bail.

weighs - 4.9g

measures - 28mm diameter, 35mm long including bail

english circa 1880

condition - good antique condition,
