

Georgian Citrine Earrings And Pendant In Original Box
£3,850.00

Stunning Georgian Citrine Earrings And Pendant In Original Box

The pendant modelled as a cross from faceted foil backed citrine, the centre from a cushion cut rock crystal, set in 18 carat gold, the setting edge decorated with gold beading and cantetille work. The bail is made from a twisted gold wire, forming a rope design, and set with a rock crystal and more gold beading.

The back of the cross still has a setting for a brooch pin, but someone has removed it.
