

**A very fine oblong Emerald & Diamond Ring set in Platinum, English, Circa 1930  
£5,600.00**

A very fine oblong Emerald & Diamond Ring set in Platinum (marked), centrally set with two (2) natural step-cut Emeralds, with No Indication of Treatment, with two (one on either side) baguette-cut Diamonds and surrounded with round brilliant-cut Diamonds around the central Emeralds and either side of the shoulders with a total of 0.63 Carats, G - H Colour, VS - SI Clarity.

Accompanied by an Independent Gemmological Report confirming the above assessment.

Please note that only 5% of the emeralds in the market are untreated; which makes this 1930's ring a truly fine and rare piece.
