

**A fine Platinum Oval Ceylon Sapphire & Double Diamond Cluster Engagement Ring, Circa 1940..  
£7,850.00**

A very fine Platinum "950" (tested) Cushion Cut Sapphire and Diamond Ring, The Central Natural Sapphire is set in a "Collet" Rub-over setting and has been assessed as being of 1.41 Carats, Light Violet Blue in colour, with No Evidence of Treatment and Sri Lanka in Origin. The Sapphire is surrounded by a double "Concentric" Oval shaped galleries set with 50 "Old Cut" Diamonds totalling of 0.75 Carats (unweighted), G - H Colour and VS Clarity.

It should be noted that untreated Sapphires are rare.
