

## **Enamel And Diamond Pansy Flower Earrings** **£8,500.00**

A pair of Moira pansy earrings, with purple and yellow matt basse-taille enamel, and pavé set eight-cut diamonds, mounted in gold with silver settings, signed Moira and numbered. With collapsible posts and clip fittings.

Moira's eponymous collection was inspired by clients searching for unusual jewellery that just couldn't be sourced anywhere. Influenced by nature itself, Moira put together a collection representing the forms of flora and fauna, employing what are now rare traditional setting techniques, old-cut stones and enamel in its various styles. The plique à jour method resembles rich stained glass. These romantic pieces are set to become the heirlooms of the future.
