£35.00**

THIS SCENT BOTTLE CONTAINS magic

- 925 Silver & Glass
- Date circa 1950s
- Inside the Magic Scent Bottle are silver shavings, which are catching sparkle by the movements and the light.

Q: What were scent bottles used for?

A: During the 18th and 19th centuries, scent bottles were beautiful and often expensive flasks available primarily to women of means. They might make their own scents or have them blended specially for them by perfumers, and then decant the fragrance into their favourite containers.
