

**A very fine Two Stone Diamond Engagement Ring, set in 18ct Yellow Gold & Platinum, English. Circa 1930
£3,750.00**

A very fine Two Stone Diamond Ring with two claw-set "Old Cut" Diamonds (8 claws to each setting), an unusual adaptation of the "Moi et Toi", style with a row of Pave' set diamonds in-between. The principal Diamonds have been assessed by an independent Gemmologist as being of 0.92 Carats (total), H - I Colour, VS2 Clarity, with seven smaller "Old Cut" Diamonds set within the central band, these additional Diamonds are of 0.18 Carats, H - I colour and SI clarity.

Total Diamond weight independently assessed as 1.10 Carats.

Potentially a very unusual, combined Engagement and Wedding Ring.

This beautiful ring is accompanied by an independent Gemmological Report, confirming the above assessment.

Plausibly English.

Circa 1930
