

A Pretty 'Old Mine cut' Diamond Cluster Ring Ca.1930 £6,450.00

A classic Diamond cluster ring with 'claw set' 'Old mine cut' Diamond weighing 0.65cts, of estimated G colour and VS clarity . The central Diamond is bright and lively and is encircled by smaller 'Old mine cut' Diamonds, all ' claw set' , set in a fine Platinum mount, Ca 1930 . This makes for a lovely engagement ring. Layaway options available.
