

Moira Poppy Plique à Jour Enamel Diamond Silver and Gold Brooch £6,500.00

Moira poppy brooch, with blue to green plique à jour enamel petals, black enamel stamens, with a green enamelled pistil, set with round brilliant-cut diamonds, mounted in gold, with silver settings, with a roller catch fitting.

Moira's eponymous collection was inspired by clients searching for unusual jewellery that just couldn't be sourced anywhere. Influenced by nature itself, Moira put together a collection representing the forms of flora and fauna, employing what are now rare traditional setting techniques, old-cut stones and enamel in its various styles. The plique à jour method resembles rich stained glass. These romantic pieces are set to become the heirlooms of the future.
